57/22 To consider the appointment of S Heath as a project manager for the s106 funded public art installations in the parish

Cllrs considered the practicalities of being able to manage the public art project and bring it to completion within the required timescale.

S Heath is an experienced public art consultant with the experience and connections to manage this project and councillors considered her appointment represents the best opportunity for the Parish Council to deliver a successful outcome to the project.

Clarification has been sought from SWT that her project management fees would be payable out of s106 funds allocated for the public art project.

RESOLUTION: to appoint S Heath as a project manager for the s106 funded public art installations in the parish

There being no further business, the meeting closed at 7.15 pm
