

The Oaks at St Luke Community Information Event

Aerial view of the Lovell development

About the Project

Lovell will deliver 80 new homes in the village of Cotford St Luke. This £25 million mixed-tenure development will include two, three, and four-bedroom homes.

The development will consist of 60 homes for open market sale and 20 affordable homes, offering a variety of options for residents.

About the Event

We are delighted to invite you to the Community Information Event regarding The Oaks at St Luke development (Address: Land off Dene Road, Cotford St Luke, Taunton, Somerset, TA4 1LX).

This event offers an open space for everyone to explore the proposals, engage with the project team, and share any concerns or queries you may have.

The dedicated project team will be available to discuss the detailed development proposal, including the design plans, traffic management strategy, and information for those interested in purchasing a home within the development.

Members of our Social Value team will also be in attendance and are happy to speak with local charities, community groups, and schools about how we can offer support and collaborate on community initiatives.

No advance booking is required, simply drop in at your convenience to learn more about this exciting project.

We look forward to welcoming you and engaging in meaningful discussions about the community and the development.
